A DIGITAL COMMUNICATIONS AGENCY

Storrs Building | 10115 Kincay Ave., Suite 150 | Huntersville, NC 28078 | 704.987.1288 | www.zanzico.com

Situation: How do you save money on the internet?

Creative Tool: Resource Library

Idea: The internet is your line to saving on communications. What was once a mass mailing to all sales reps is now a simple download. We have developed many resource libraries for companies who want to have an easy-to-use, collection of company assets. The ability to update and access the information decreased costs and increased sales. We put a plan in place and it works.
