

ZANZICO

A DIGITAL COMMUNICATIONS AGENCY

Storrs Building | 10115 Kincay Ave., Suite 150 | Huntersville, NC 28078 | 704.987.1288 | www.zanzico.com

Situation: How do you serve up your unique product?

Creative Tool: Website Development

Idea: We believe that creative communications is about serving up products in different ways. In this example we worked with Huber Engineered Wood to develop flash animation that brought clarity to their product. By showing how products come together it brought clarity to their communication, and as we know clarity in communication will increase sales.
